An assistant provides help to veterinarians and veterinary technicians which in turn allows those team members to perform the tasks and responsibilities of their positions.

This 3-month program is intended for anyone interested in the welfare of animals as well as those who wish to pursue exam room assisting as a career.

Job possibilities include:
- Companion Animal Hospitals
- Small Animal Veterinary Clinics

For more information call (856) 874-6004 or email info@cccinow.com

Enrollment is open to any person 18 years of age or older and there is no requirement for prior experience or training to attend this course.

*Successfully completing the program will allow students to waive 2 credits towards the Veterinary Technology ACS.AAS program*
