PROGRAM DESCRIPTION

Managers direct the activities of their individual departments within the framework of the overall plans of the organizations.

PROGRAM GOALS

- To prepare students to qualify for entry-level employment as an assistant manager, employment interviewer, management trainee, manager, office manager and supervisor.
- To provide students with a General Education foundation.

PROGRAM STUDENT LEARNING OUTCOMES

- At the end of the program, the graduate will be able to:
1. Discuss, explain and describe the general business environment.
 2. Manage, communicate with and direct a diverse workforce.
 3. Describe the legal implications of management decisions.

EMPLOYMENT OPPORTUNITIES

Projected employment growth varies by industry, yet most industries will continue to expand rapidly. There is a great demand for entry-level and middle-level managers in miscellaneous business services. The future projection of employment for managers continues to grow both nationally and globally in all fields. Managers are needed in all levels of production, service and distribution type businesses.

- Assistant manager
- Retail manager
- Management trainee
- Manager
- Office manager
- Supervisor
- Bank manager
- Healthcare career manager
