PROGRAM DESCRIPTION

The Multi-Skilled Technician Certificate of Achievement program offers to expand the knowledge and skills of the Certified Nurse Assistant and increase marketability to work in acute, long term and home care settings. Additional skills in the art of Phlebotomy, EKG, CPR, and Homemaker Home Health Aide instruction are included. The entire certificate may be completed in one semester or two semesters. The entire certificate may be completed in one semester if the student is NJCNA certified.

PROGRAM GOALS

At the end of this program the student will be able to:

- Differentiate the practices of the Certified Nurse Aide and unlicensed allied health personnel in health and home care settings.
- Demonstrate the expanded roles of the multi-skilled technician.

PROGRAM STUDENT LEARNING OUTCOMES

At the end of the program, the graduate will be able to:

1. Describe the various roles of the Multi-Skilled Technician
